4 December 1969

MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC

SUBJECT : Demonstration of a Graphics Display System

1. On December 16, 1969, a demonstration of a graphics display system will be held at [REDACTED] This demonstration will portray some of the results of an NPIC contract with [REDACTED] The demonstration will be unclassified but will be oriented toward the solution of some practical imagery exploitation problems--similar to those encountered at NPIC. Both text and graphics can be created and manipulated on a cathode ray tube. The demonstration should be of interest to photo interpreters, graphics personnel, collateral support personnel, editors and supervisors.

2. A fifteen-passenger plane has been reserved and is scheduled to depart Washington National Airport at 0800 on December 16. The plane will leave Boston at 1600 on the same day. Ground transportation will be by taxicabs. A more detailed itinerary will be provided prior to the trip.

3. Although this demonstration is primarily for the benefit of IEG and PSG personnel, we can accommodate two persons from TSSG. If you wish to send representatives, please forward their names and DIA or CIA affiliation by COB 8 December to [REDACTED]

Chief, Research & Engineering Division,
TSSG
